BROOKLYN CLASSIFIED WINTER-SPRING 1931

It's easy to find "Where to buy it"

To find where to buy products or services—

First, Locate the classification which describes the product or service desired.

Then, select the business house with which you wish to deal. The advertisements in the vicinity of the classification will usually provide additional and more complete buying information.

To find where to buy a trade marked or branded article—

Trade names of registered articles or services are shown in one of two ways, as follows:

1. The trade mark or brand name is listed as a heading in its alphabetical order, or
2. The trade mark or brand name is shown in alphabetical order in the listing column under a heading descriptive of the business or service.

To find telephone numbers of business houses whose names are known to you—

First, Locate the classification descriptive of the general type of business.

Then, In its alphabetical order will be found the name of the concern desired.

For further information concerning this directory communicate with The Reuben H. Donnelley Corporation, 79 Madison Avenue, New York City, Telephone LE xington 2-7000.

When telephoning advertisers, please mention that you saw their ad in "The Classified Telephone Directory"

Personal Contact

Personal contact—with whomever you wish—in any part of the country. The telephone gives you this personal, voice-to-voice contact. It puts speed and convenience in the administration of business. A long distance call frequently saves a railroad trip; it often means a customer satisfied; or a carload of goods sold. Yet it costs so little—even to places far away!

BRUNSMADE
AWNINGS AND CANOPIES ARE BETTER

Demand and be sure you get
"Bruns' Specifications"
You will then have the
Greatest value for each Dollar of cost and a job that you' ll be proud of

Regardless of what you buy, you get only what you pay for—cheap awnings and canopies always look cheap, are seldom satisfactory and cost more in the end.

Why Waste Energy?

Mrs. Johnson knows the advantages of saving her energy. That's why she has extension telephones. They save her hundreds of steps a day. There's a telephone in the foyer, one in the living room beside her easy chair, and, of course, one in the bedroom.

No wonder she looks and feels better than the rest of her friends!

We dye any garment—new or old. Dresses, Suits, Gowns, Laces, etc.

We guarantee to improve any poor dyeing you may have on hand, and will make no charge unless the improvement in the work justifies our doing so.
We guarantee to match any shade.

What Barrier Distance?
When you want to talk to a customer, how long does it take to get there? If you have the telephone habit you can be talking to him in just a few minutes—whether he's in Boston or San Francisco.
For speed, action, convenience use the long distance telephone.

Your Telephone Trade
Should be encouraged.
It is desirable. It is easily handled. It cuts down your selling cost.
It builds up your reputation for good service. An advertisement in the Classified Telephone Directory will promote your telephone trade.

BROOKLYN CLASSIFIED WINTER-SPRING 1931

Exterminating

ARE you annoyed with rats, mice, roaches, or bedbugs, etc? If so, write or telephone to have one of our representatives call and give you an estimate regarding the exterminating of these pests. Our method will give you quick results and positive satisfaction. Where others have failed we have succeeded.

Special prices offered to apartment house owners, hospitals and institutions.
